

5 tips to become a low impact tourist

Recommendations for preserving the beauty that brought you here.

1

GET A REUSABLE BOTTLE

Avoid single use plastic bottles to hydrate yourself and bring your reusable bottle.

-You don't have one?
The Cleanwave bottle is a stainless steel long lasting high quality product that avoids 1,5 500ml plastic bottles in every single refill. Get yours in this QR on the right.

2

DOWNLOAD THE REFILL POINTS APP

+100 refill points around the island to refill your reusable bottle for free - stay hydrated!

Using this bottle once a day, you avoid more than 500 plastic bottles (0,5L) per year.

3

VISIT AN UNDERWATER FOREST UNDER REGENERATION

Book an eco-tour with MedGardens and visit the regenerated areas located in Sant Elm while enjoying the amazing views to the Marine Protected Area of Sa Dragonera.

4

BUY LOCAL PRODUCTS

Buy Km.0 products - made in the island by islanders. From groceries to souvenirs. Support local economy.

5

DO NOT SHARE LOCATIONS ON INSTAGRAM

Keep this valuable information to your close ones. Instagram over crowded remote places. Let's not trigger that. Please :)

thanks for supporting the sustainability of tourism
